Thank you for considering our program. To best determine if and how we may be of help to you we would like to collect some more information from you. This application asks medical questions from various viewpoints as we are looking at how multiple systems may be related to your issues. Answer the questions to the best of your ability. If you have other history or information from other practitioners (especially with PRI backgrounds) that would be helpful for us but is not necessary. We also want to have you take some pictures of the way your teeth fit from the front and each side and the way your feet and lower legs look as you are standing bare foot. See the next page for examples. Lastly, we need to have a recent (within the last 12 months) eye exam/record from an Optometrist or Ophthalmologist with refraction. We would prefer to have your last three exams to track the progression of your eyes. This information gives us a starting point for your visual system and ensures that someone has checked to see if your eyes are healthy prior to us seeing you here for a vision appointment. Once we have all of this information, it will be reviewed by our team, and we will be able to make a determination if you are a candidate for our program. If you have additional questions about this process please do not hesitate to contact us.

Sincerely,

The PRIME team

What we need from you as part of your application:

- ❒ **PRIME Program Questionnaire, filled out by the patient or parent ****
- ❒ **Dental and Foot Pictures (see next page for examples) ****
- ❒ **Eye exams: prefer last 3 exams. Most recent must be within the last 12 months.** ***The exam record is NOT the same as a glasses or contact prescription, so please ask the office to send the entire exam record. *****
- ❒ **PRIME Referral Form: Recommended if you were referred by another PRI practitioner (optional)**

*****we will not be able to determine your status until we have all required information*****

Please send all information to the PRIME team:

Fax: **402-467-4580** Email: **Primengagement@gmail.com**

MEDICALLY INFORMED CONSENT AND ASSIGNMENT AND RELEASE

I voluntarily consent to treatment (vision, dentistry, podiatry, physical therapy) and services deemed necessary by my Postural Restoration Integrative Multidisciplinary Engagement™ (PRIME) Clinical Integrative Specialist. I also consent to have my medical information included in the PRIME Questionnaire shared with the multiple disciplines within the PRIME team. Information will not be utilized outside of our PRIME team unless specific consent is obtained from you, the patient. As a patient, I am aware that these practices are not an exact science and I acknowledge that no guarantees have been made to me as to the results of these services within the PRIME program. It is our PRIME team's sincere intent to educate me on every process, from billing to treatment and eventually discharge from services. Therefore, if techniques that are being used to retrain, recruit & restore postural alignment are not understood, it is my responsibility to obtain a clearer understanding of what the therapist's/optometrist's/podiatrist's/dentist's objectives and outcomes are, and how he/she is trying to achieve them. This consent shall be ongoing for a period not to exceed one year.

I hereby understand that I am financially responsible for these non-covered services. All of the information provided is correct and true to the best of my knowledge. **I am responsible for all charges incurred during my participation in the PRIME program.**

I (or_________________________for_________________________) have read this form and fully understand and accept its terms and conditions.

Our office's complete NOTICE OF PRIVACY PRACTICES

Our complete Notice of Privacy Practices contains a detailed description of how our office will protect your health information, your rights as a patient and our common practices in dealing with patient health information. Please refer to that Notice for further information.

Uses and Disclosures of Health Information. We will use and disclose your health information in order to treat you or to assist other health care providers in treating you. We may disclose your health information for certain limited operational activities such as quality assessment, licensing, accreditation and training students.

Uses and Disclosures Based on Your Authorization. Except as stated in more detail in the Notice of Privacy Practices, we will not use or disclose your health information without your written authorization.

Uses and Disclosures Not Requiring Your Authorization. In the following circumstances, we may disclose your health information without your written authorization:

- To other health care practitioners involved in our PRIME program;
- To family members or close friends who are involved in your health care;
- For certain limited research purposes;
- For purposes of public health and safety;
- To Government agencies for purposes of their audits, investigations & other oversight activities;
- To Government authorities to prevent child abuse or domestic violence;
- To the FDA to report product defects or incidents;
- To law enforcement authorities to protect public safety or to assist in apprehending criminal offenders;
- When required by court orders, search warrants, subpoenas & as otherwise required by law.

Patient Rights. As our patient, you have the following rights:

- To have access to and/or a copy of your health information;
- To receive an accounting of certain disclosures we have made of your health information;
- To request restrictions as to how your health information is used or disclosed;
- To request that we communicate with you in confidence;
- To request that we amend your health information;
- To receive notices of our privacy practices.

If you have a question, concern or complaint regarding our privacy practices, please refer to our complete Notice of Privacy Practices for the person or persons whom you may contact.
